March 27, 2020

Dear Middletown Public Schools Families,

The Middletown Schools Meal Assist program will continue to provide meals for our students and families throughout this health crisis. **Starting Monday, March 30th we have decided to eliminate the Woodrow Wilson Middle School Meal Site due to the low number of meals served at this site.** We apologize for any inconvenience this may cause. Please visit the Bielefield site or any other site that is most convenient for your family.

Parents and students can visit any of these four sites throughout the city between 9:00AM - 1:00PM.

Bielefield Elementary School @ Front Office Entrance

Macdonough Elementary School @ Café Entrance across from parking lot/basketball courts

Snow Elementary School @ Front Office Entrance

Spencer Elementary School @ Front Office Entrance

Families will be able to “grab” the day's breakfast and lunch, as well as the next day's breakfast and Lunch, to eliminate the need for multiple pickups. We will also provide weekend meals on Fridays as needed. There will be **no meal distribution this weekend** as what was done last weekend provided by restaurants. **Please visit meal sites today if you require weekend meal assistance.**

Parents should drive up or walk up to the main entrance to receive meals. Do not park your car. A staff person will approach your car/you at the “order table” to get your “order” and bring it out to you.

If your family has special needs or you require assistance obtaining meals please email MealAssist@mpsct.org to make arrangements”.

We will continue to provide updates as needed.

Sincerely,

Marco Gaylord
