

# January is ***RADON ACTION MONTH***

- *Radon* is an invisible, radio-active gas which has no odor, taste, or smell
- *Radon* is the leading cause of lung cancer in non-smokers in this country
- Your neighbor's house may not have a *radon* problem but you might
- The only sure way to know your *radon* level is to perform a simple test

**Get your *free Radon* testing device during the month of January from the Middletown Health Department City Hall, Room B17, 245 deKoven Drive, Middletown**

- **Middletown Homeowners Only (proof of residency required)**
- **Supplies limited: One kit per homeowner**
- **First-come, first-served**

*Sponsored by the Middletown Health Department and Connecticut Department of Public Health.*

*For more information about radon, call (860) 638-4962*
