

Middletown Public Schools Hybrid Plan

BACK TO SCHOOL

A/B Days

*Parents and guardians may also choose complete distance learning for students

New routines including wearing of masks, temperature scanning, desk shields and other school procedures will be in place

There will be staggered arrival/pick up times for buses and parents to prevent traffic

A/B Days

Students in all grades will be divided primarily into Group A or Group B. Wednesdays will rotate between the two groups each week. They will also serve as PDES days for cleaning and professional development

Students will have synchronized distance learning when not in the building. This hybrid plan will allow lower class sizes (half the student population), which will provide teachers, staff, and students a safer learning environment

A/B Schedule Example

Siblings will be accommodated throughout all grades so all family members attend on the same days
