

MIDDLETOWN PUBLIC SCHOOLS CLOSURE AND DISTANCE LEARNING PLAN

INTERIM ONLINE LEARNING PLAN FOR SCHOOL CLOSURE

Dear Families and Students of Middletown Public Schools:

I am writing to provide you with detailed information about the school closure and initial guidance for shifting to distance learning. We will be regularly updating our community through weekly email updates and posts on our website. In addition, teachers will be scheduling regular communication with students and families. We know that this is an unsettling time and want to assure you that our goal is to keep student learning and emotional wellbeing at the forefront of our minds as we implement these plans and structures. During this unprecedented health crisis, we appreciate your collaboration and patience as we collectively transition to something new for us all.

Schools are closed and will transition to online/remote learning starting **Monday, March 30, 2020**. Any updates about the timeframe for closure will be communicated through email and on our website <https://bit.ly/mpsct-covid19>. Monday, March 30, 2020 will be a “soft launch” of our distance learning plan. During the soft launch you can expect teachers to be in contact with your child(ren) to assess connectivity, answer questions about expectations for online learning and/or share student surveys. Our educators will not be posting mandatory assignments during the “soft launch” as they will be determining how this new environment will look and work for our youngsters.

Middletown Public Schools have partnered with The Learning Innovation Catalyst (LINC) to provide our educators with professional learning on teaching virtually and appropriately modifying content to promote self-paced student learning. LINC coaches will be available to support our educators on an ongoing basis throughout this process.

This distance learning experience will provide our students with the opportunity to engage in a primarily *asynchronous* learning environment. Asynchronous learning is a student-centered teaching approach that uses online learning resources to facilitate

information sharing outside the limitations of time and place among a group of people. Our students will be engaging in a self-paced learning environment in which they will explore online tools and materials provided by their classroom teachers and work at their own pace. Students will also have the opportunity to have contact and instruction from their teachers in a synchronous environment through video conferencing or other tools within the Google Suite. Video conferencing may be used for small group instruction, read alouds, text-based discussions, to explore concepts students find challenging in any subject area and/or teaching a mini lesson. We are excited for the opportunity to provide our youngsters with continuous learning, through distance learning, during this unique health event.

Included below are protocols and expectations for communication, device and wifi access, instruction, Special Education and other services. In addition, our five meal sites Bielefield, Macdonough, Snow, Spencer continue to be operational from 9 a.m. to 1 p.m. Please feel free to contact the district at operations@mpsct.org or mealassist@mpsct.org should you require meal assistance. Comcast is providing 2 months of free internet access to families who qualify. You can apply at <https://apply.internetessentials.com/>. We encourage you to contact your child’s teacher, principal or central office administrators should you have any questions or concerns during this transition to distance learning. We thank you for your continued support of our district and look forward to our continued work together.

Finally, we are very enthusiastic about engaging with our community virtually this Sunday, March 29, 2020, when we will be starting a series of online forums for our community on navigating the various digital tools that our students will be using to interact with their teachers in the new online learning environment.

Live videos are available on Zoom during the times below. Also, live on Facebook: <https://www.facebook.com/mpsct/>

COMMUNICATIONS PROTOCOLS FOR FAMILIES, STUDENTS, AND FACULTY

Throughout this period of school closure, we want to stay in constant contact with our school community. Our primary method of communication will be **School Messenger**. If you are not receiving communications please contact TechAssist@mpsct.org.

Here is what you can expect from us while we are closed:

Who	What	When	Resource
Families	Weekly update from Building Principal	As determined by individual principal	School Messenger- Translated into Spanish
	Weekly communication and updates from MPS Central Office/ breaking news	As determined by Central Office	School Messenger
	Weekly email from teachers	As determined by teacher	Email; Class Dojo
Students	Weekly updates from teachers	As determined by individual teachers	Email
	Breaking news from Admin	As needed	Google Classroom
	Assignments from teachers	Daily or weekly (Teacher preference)	
	Feedback from teachers	Once per week, per teacher	
Teachers	Daily briefings from Admin	To be determined at the building level	Email
	Weekly virtual department and/or grade level meetings		Google Hangouts/Meet
	Weekly department meetings		

Assistance for Students and Families

For Questions About....	Contact
Assignments	Contact individual teachers
Special Education	Contact your child's case manager, related service staff or central administrators: Amy Clarke- clarkea@mpsct.org , Lynn Durham- durhaml@mpsct.org , Sara Alberti- albertis@mpsct.org
Technology support	techassist@mpsct.org or Call 860-638-1480
Your child's emotional wellbeing	Call 211 mobile crisis hotline or Katherine Thompson thompsonkat@mpsct.org
Meal access	operations@mpsct.org or mealassist@mpsct.org

LEARNING MATERIALS, DEVICE ACCESS, AND WIFI CONSIDERATIONS

Students will need access to certain materials for learning. If you do not have these materials at home, please contact your child's teacher and we will modify the expectations.

All students in grades 2-12 were issued Chromebook prior to closure. Students in grades K-1 who do not have a device at home can arrange to pick up an iPad to ensure they have access to classwork and information.

Comcast is offering 2 months of free internet with their Internet Essentials program <https://www.internetessentials.com/covid19>

Instructional activities should be accessible via laptop, chromebook, tablet or smartphone. If you do not have access to wifi or a compatible device, please contact the individual listed below and we will create a plan to ensure your child remains connected during the closure. If you need assistance with access to learning materials, devices, or WiFi, please reach out to the following people.

Contact Name:	Contact Information
Technology Assistance	techassist@mpsct.org or 860-638-1480

ACCESS TO COUNSELING AND LEARNING SPECIALISTS

Students who receive special education and related services will be provided with continued learning opportunities. Your child's special education team will be collaborating with general education teachers, the pupil services team and you to determine what is appropriate and reasonable for your child under the current circumstances. To the greatest extent possible and consistent with state and federal guidance, your child's team will align these opportunities to the Individual Education Plan (IEP) based on his or her unique needs. The special education department has been working hand in hand with our District partners to plan for students with disabilities in order to provide them with equitable access to ongoing learning experiences. By this time your child's teacher or related service provider has attempted to contact you. A school messenger was sent with a letter from the Director of Special Education and important information regarding student confidentiality. These documents are also available on our District website at middletownschools.org. If you have not received these communications, please contact your child's school to provide updated contact information. Your child's team will continue to communicate with you throughout this process to ensure you are informed regarding his/her individual plan. At this time we have not begun holding Planning and Placement Team meetings remotely. As this crisis unfolds and we are provided with further guidance we will reassess this. For now we are focused on health and safety, finding creative ways to instruct our students and working to support our families. We encourage you to reach out directly to your child's case managers or service providers for questions or concerns. Should you need further guidance, the Director and Supervisors of Special Education are accessible by email. That contact information is included below. We would like to thank our extraordinary staff, students, parents, guardians and community for your ongoing collaboration and support.

For Questions About....	Contact
Assignments	Contact individual teachers
Special Education	Contact your child's case manager, related service staff or central administrators: Amy Clarke- clarkea@mpsct.org , Lynn Durham- durhaml@mpsct.org , Sara Alberti- albertis@mpsct.org

COLLABORATIVE COMMUNITY CONTRACT FOR A SAFE ONLINE WORKING ENVIRONMENT

We commit to interacting with each other online in the following ways

- Students will develop a contract during week 1 with classroom teacher
- Please see our Chromebook Use at Home document here: <https://bit.ly/mpsct-chromebook-home>

We will contribute positively to the online environment by...

- Students will develop a contract during week 1 with his/her teacher
- Please see our Chromebook Use at Home, page 2, document here: <https://bit.ly/mpsct-chromebook-home>

We will demonstrate our academic commitment by...

- Students will develop a contract during week 1 with his/her teacher

We will use technology in a responsible way by...

- Students will develop a contract during week 1 with classroom teacher

ONLINE INSTRUCTIONAL EXPECTATIONS FOR TEACHERS AND STUDENTS- HIGH SCHOOL

Note: This is the schedule for the “soft launch” Week 1 starting March 30th

Office Hours

Students and families may contact teachers during these times; however, flexibility will be given to both teachers and students as contact may be through a number of media (i.e. email, Google Classroom, etc.).

Working Definition of Office Hours: designated time that students can expect feedback in a reasonable amount of time. Students requesting feedback outside of office hours can expect a longer response time.

Examples of “Office Hours” include:

1. Checking emails from students of that specific group of students for which office hours are designated
2. Checking Google Classroom comment section for student questions/concerns
3. Checking an online designated group chat for a particular group of students
4. Communicating with students using a preferred digital tool

Schedule 1.0 (Week 1)

Monday	Tuesday	Wednesday	Thursday	Friday
PRIDE Check-In	PRIDE Check-In	Students check the classroom for the first assignment from each A Day class	Students check the classroom for the first assignment from each B Day class	PRIDE Check-in
Teacher surveys advisory kids to determine needs etc-	Determine other needs and fill out Google Sheet “ Not yet engaged Students”.	Teacher Office Hours A Day	Teacher Office Hours B Day	Teacher provides feedback on assignments posted
Teacher creates and posts lessons by end of day for A day- (1 assignment per teacher)	Teacher creates and posts lessons by end of day for B day (1 assignment per teacher)	<p><i>Sample Student Schedule</i> <u>A Day Classes</u></p> <p><u>Period 1</u> 9:00-9:45 <u>Period 2</u> 9:45-10:30 <u>Period 3</u> 10:30-11:15 <u>Period 4</u> 11:15-12:00 <u>Guidance Department Available</u> 1:15-2:00</p>	<p><i>Sample Student Schedule</i> <u>B Day Classes</u></p> <p><u>Period 5</u> 9:00-9:45 <u>Period 6</u> 9:45-10:30 <u>Period 7</u> 10:30-11:15 <u>Period 8</u> 11:15-12:00 <u>Guidance Department Available</u> 1:15-2:00</p>	Teachers make a checklist of who they haven’t engaged with Department Meetings

Schedule: Week 2

Monday	Tuesday	Wednesday	Thursday	Friday

*** Assignments for Resource Rooms and other special education and related service providers will be posted based on the needs of individual students and will be communicated with students and families accordingly*

ONLINE INSTRUCTIONAL EXPECTATIONS FOR TEACHERS AND STUDENTS- ELEMENTARY

Students and families can access assignments daily through email and digital classroom platforms, including **Seesaw (Grades Pre-K-1)** and **Google Classroom (Grades 2-5)**. Assignments will include a combination of online and offline activities. Please note that students may need some adult support and supervision as they work online. The recommended number of assignments/times per week, per subject, is below. Students in grades K-5 will be engaged in learning activities no more than three hours per day. Please see the suggested menu of activities for our preschoolers on the following page.

Grade level	Digital Curriculum				Digital Curriculum
	Pre K-1	Pre K-1	2-3	4-5	2-5
Social Emotional Learning (SEL)	10 min daily		20 min daily	20 min daily	
Reading/Language Arts	Daily Assignment Choice	Bridge and Footsteps to Brilliance	Daily Assignment Choice	Daily Assignment Choice	PathBlazer
Writing	Daily Assignment Choice		Daily Assignment Choice	Daily Assignment Choice	
Math	Daily Assignment Choice		Daily Assignment Choice	Daily Assignment Choice	PathBlazer
Science/ Social Studies	2x per week choice		3x per week choice	3x per week choice	
Art/ Music/ Physical Education/Library Media Specialist	Each special area class once per week. (This excludes Pre-K)		Each special area class once per week.	Each special area class once per week.	

SAMPLE PRE-K ACTIVITIES

Choose one activity per area each day. Activities should be no more than 5-10 minutes at a time. Feel free to share what you do with your teacher. You can email a picture or just write what you did.

Focus of the week	Trying out distance learning! Spending time with your child.				
Language tip	Expand on what your child says. If they use a gesture to communicate, name what they are showing you or what you think they want you to know. If they use a few words or a phrase, or even a sentence, expand on what your child is telling you. Try to use a variety of vocabulary, including concepts (colors, numbers, shapes, position, etc.)				
Learning with my special adult	Explain to your child why we are learning from home.	Look outside. Talk about what signs of spring you see (flowers, birds, leaves, etc.).	Play a turn taking game. You can stack blocks or items around your house (tupperware, cups, etc.)	Cook together. It can be making a sandwich or baking.	Take a walk. Talk about what you see and hold hands.
Read-Aloud (Use the links here or read your favorite books from home)	Coronavirus Social Story Read together. Ask questions about or point to the pictures.	The Kissing Hand Read together. Ask questions about or point to the pictures.	Hey, That's My Monster Read together. Ask questions about or point to the pictures.	The Very Hungry Caterpillar Read together. Ask questions about or point to the pictures.	Pete the Cat I Love My White Shoes Read together. Ask questions about or point to the pictures.
Fine Motor (hand muscles)	String Cheerios/Fruit Loops onto a shoelace	Push pipe cleaners through the holes of a strainer Example	Pick up pennies from table top and place into a container	Push buttons or pom poms through a slit cut into top of tupperware container	Squeeze clothespins onto a paper plate
Math	Find items around the house that are the color blue	Find items around the house that are the color red	Find items around the house that are the color yellow	Find items around the house that are the color green	Find items around the house that are the color purple
Music and Movement (Use the links here or have a dance party to your favorite song)	The Hokey Pokey	Move and Freeze	ABC Song	Milkshake	The Wheels on the Bus

Mindfulness	 <p><u><i>Butterfly Breath</i></u> On the inhale, bring both arms up alongside your body. On the exhale, lower your arms.</p>	 <p><u><i>Birthday Cake Breath</i></u> Choose a number 1-5 to decide how many birthday candles you will blow out. Hold your hand open in front of you and inhale and exhale onto your open hand. If your child can hold up fingers, have them hold up the correct amount of fingers until they are all blown out.</p>	 <p><u><i>Incredible Hulk Breath</i></u> On the in breath, bring arms like in the picture. On the outbreath, bring arms down to shoulders. Bend your knees as you exhale down.</p>	 <p><u><i>Dolphin Breath</i></u> Hold palms together like in prayer pose. Inhale and lower hands down, exhale and pretend to dive into the water with your hands.</p>	 <p><u><i>Spiderman Breath</i></u> Inhale and bring closed hands palm in and hold at Chest. Exhale pretend you have webbed hands shooting out away from you.</p>
Dramatic Play	Build with blocks and make a simple tower or castle	What did you see outside? Be a bug, or a bird...	Pretend you are the teacher, teach the ABCs	Act out the story The Very Hungry Caterpillar	Make a bus with the chairs in your house and pretend to be the bus driver
Outside Time Sensory Gross Motor	Play Simon Says	Engage in a game of Hide & Seek	Play with a ball in your house or outside	Take a walk and identify what you see, smell, touch, and hear.	Spend time doing yoga poses or simple exercises, e.g. stretching, running in place Spring Yoga Poses
Additional Optional Learning Games to do with your child this week	Simple Number games: counting the steps as you go up and down stairs Footsteps to Brilliance (email your teacher if you need your Super Secret Code) I Spy Games (objects, letters, colors, shapes and numbers)				

MPS Elementary Distance Learning Plan Soft Launch for Students And Families

Week 1: March 30th to April 3rd

Goals for Week 1

- Building an Online Community & Connecting
- Exploring Technology
- Classroom Assignments (optional)

Students/Families will:

- Be in attendance by logging into Google classroom or Seesaw a minimum of 3 times in the first week
- Join and explore Google classrooms (Gr. 2-5)
- Join and explore Seesaw (K-1)
- Explore additional websites & resources provided by teachers
- Take time to play offline and play inside or outside

Student Assignments (optional) from Classroom Teachers

- 1 Reading Daily (give students choice of online or offline assignment)
- 1 Math Daily (give students choice of online or offline assignment)- low risk activity
- 1 Writing Daily (give students choice of online or offline assignment)-familiar prompt
- Optional- provide additional choice assignments

Assignments from Special Area Teachers (Physical Education, Music, Art, Library Media)

- Students will receive one lesson/assignment from each Special Area Teacher over the week

MANAGING ONLINE LEARNING AT HOME

Thank you for partnering with us in this work. To support your child, we recommend that you follow these guidelines, which are similar to what you do to support your child in completing regular homework:

- Work with your child to establish a learning routine that is flexibly aligned to the time they normally learn in school. It is recommended learning take place during normal “school hours” instead of what is normally “after school” hours.
- Set learning goals daily towards the start of the day. Create the day’s learning schedule and post it.
- Set up a learning space for learning hours.
- Encourage your child to contact their teacher directly with questions. We will be using email, Class Dojo and/or Google classroom for this type of communication.
- Encourage use of the electronic device primarily for learning windows and work to reduce online time during this period of increased online learning activity.
- Check your own email regularly to view important messages from school.
- Please observe work hours for teachers--they will respond to your emails within 24 hours but are not expected to do so outside of work hours.
- Engage your child in building a technology use agreement that minimizes distractions and maximizes learning.

EXTENSION ACTIVITIES FOR STUDENTS

Please find resources that students can access for additional practice once work has been completed. Students will need to create accounts to access the resources, but accounts for these sites are free to families.
