Next Steps:

- Math Teachers have written warm-ups for Algebra I, Geometry, and Algebra II consisting of SAT questions to be used this school year.
- Groups of teachers in core disciplines will be meeting on a monthly basis to analyze SAT sub-score data and plan next steps.
- Focused PD on close reading strategies in both fiction and non-fiction.
- Development of CFAs that reflect SAT type questions for grades 9-11.
- PDES days spent on professional development to better understand the assessment and the shifts in curriculum.
