

Preparing for 6th grade Language Arts class

KEIGWIN MIDDLE SCHOOL

Teachers: Nicole McGillicuddy, Agatha Meeker, Buster Nelson

READING

Studies indicate...the amount of reading students do in 6th, 8th and 9th grade can help students have greater success in high school and college.

When you READ you...

- develop vocabulary knowledge
- and increase comprehension & fluency

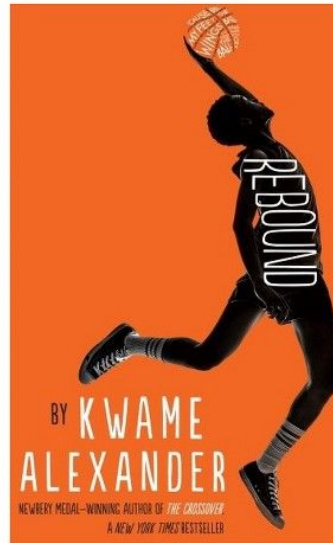

To prepare for Keigwin's Language Arts class
and the conversations we will be having to build
a strong learning community . . .

We want you to read . . .

FINALLY....

The first week at KEIGWIN, bring your book. We will dive deep into this book so be ready to have discussions about it!

Enjoy your summer!

But most importantly, enjoy the ride!

“I write books that maybe are a rollercoaster. But there’s books that are also cotton candy. Book that are like the spider. Books that are like the waterpark. There are so many rides at the amusement park” (Kwame Alexander).
